LB 1089

your adoption.

PRESIDENT: Thank you. Senator Morehead, please.

SENATOR MOREHEAD: Yes, Mr. President and colleagues, I would concur with Senator Hannibal's reasoning on this. The fee in this bill was originally raised in anticipation that fees generally would be adjusted in LB 949, which is the committee bill to follow. That did not happen. It was advanced to the floor without any adjustment in fee consideration. So, keeping in line with that, I believe that this fee should also be lowered. And I would ask for your adoption of Senator Hannibal's amendment.

PRESIDENT: Thank you. Did you wish to close, Senator Hannibal? The question is the adoption of the amendment to the amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 14 ayes, 2 nays, Mr. President, on adoption of Senator Hannibal's amendment to the committee amendments.

PRESIDENT: The amendment to the committee amendments is adopted. Now we are back to the committee amendments. Anything further on it, Mr. Clerk?

CLERK: Nothing further, Mr. President.

PRESIDENT: Senator Hannibal, on the adoption of the committee amendments? Senator Morehead, please.

SENATOR MOREHEAD: As amended and explained, I would ask for the adoption of the committee amendments to 1089.

PRESIDENT: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Senator Morehead.

SENATOR MOREHEAD: Mr. President, colleagues, I would hope that people could vote so we could adopt these committee amendments. I really don't want to ask for a call of the house, but I know how many votes it takes and....

PRESIDENT: Are you calling for a call of the house?
